Administrative Master Syllabus

Cover Sheet

Purpose: The Administrative Master Syllabus provides a general course description, defines the required elements of the course, and establishes a faculty-driven foundation for course assessment to ensure continuous improvement in student learning, irrespective of the course timeframe, or mode of course delivery.

Course Title: Common Concepts of Adult Health
Course Prefix and Number: RNSG 1341
THECB Approval Number (10 digit): 5138010000
Department: Nursing
Division: Nursing and Allied Health
Course Type: (check only one)
  - Academic General Education Course (From ACGM but not a CBC Core Course)
  - Academic CBC Core Course
  - WECM Course (Special Topics or Unique Needs Course: Y or N ✓ )

Weekly Contact Hours (Lecture – Lab – External): 3 – 0 – 0

Course Catalog Description:
Basic integration of the role of the professional nurse as a provider of patient-centered care, patient safety advocate, member of health care team, and member of the profession. Study of the common concepts of caring for adult patients and families with medical-surgical health care needs related to body systems, emphasizing knowledge, judgment, skills, and professional values within a legal/ethical framework. This course lends itself to a blocked approach.

Prerequisites/Co-requisites:
Prerequisite: Successful completion of all nursing courses with a grade of “C” or better from previous semesters.
Co-requisite: RNSG 1161

Approval: The contents of this document have been reviewed and are found to be accurate.

More information will be provided in Blackboard.

*The Student Learning Outcomes for the course are the same regardless of modality or location.*

### Course Outcomes

(WECM or LDACGM)

1. Explain the roles of the professional nurse in caring for adult patients and families.
2. Utilize critical thinking skills and a systematic problem-solving process in providing care for adult patients and families with common health needs.

The following general education course competencies (TGE) or Marketable SCAN Skills (CTE/NAH) are addressed in this course: General education course competencies (TGE) or Marketable SCAN Skills (CTE/NAH) assessed are indicated with an asterisk *.

- **Social Perceptiveness** — Being aware of others' reactions and understanding why they react as they do.
- **Active Listening** — Giving full attention to what other people are saying, taking time to understand the points being made, asking questions as appropriate, and not interrupting at inappropriate times.
- **Coordination** — Adjusting actions in relation to others' actions.
- **Critical Thinking** — Using logic and reasoning to identify the strengths and weaknesses of alternative solutions, conclusions, or approaches to problems.
- **Speaking** — Talking to others to convey information effectively.
- **Judgment and Decision Making** — Considering the relative costs and benefits of potential actions to choose the most appropriate one.
- **Reading Comprehension** — Understanding written sentences and paragraphs in work-related documents.
- **Monitoring** — Monitoring/Assessing performance of yourself, other individuals, or organizations to make improvements or take corrective action.
- **Writing** — Communicating effectively in writing as appropriate for the needs of the audience.
- **Active Learning** — Understanding the implications of new information for both current and future problem-solving and decision-making.
- **Complex Problem Solving** — Identifying complex problems and reviewing related information to develop and evaluate options and implement solutions.
The following program student learning outcome are assessed for this course:

- Function within the nurse’s legal scope of practice and in accordance with regulation and the policies and procedures of the employing health care institution or practice setting.
- Assume responsibility and accountability for the quality of nursing care provided to patients and their families.
- Use clinical reasoning and knowledge based on the diploma or associate degree nursing program of study and evidence-based practice outcomes as a basis for decision-making in nursing practice.
- Determine the physical and mental health status, needs, and preferences influenced by culture, spirituality, ethnicity, identity, and social diversity of patients and their families, and the interpretation of comprehensive health assessment findings compared with evidence-based health data derived from the diploma or associate degree nursing program of study.
- Analyze comprehensive assessment data to identify problems, formulate goals/outcomes, and develop plans of care for patients and their families using information from evidence-based practice in collaboration with patients, their families, and the interdisciplinary health care team.
- Provide safe, compassionate, comprehensive nursing care to patients and their families through a broad array of health care services.
- Implement the plan of care for patients and their families within legal, ethical, and regulatory parameters and in consideration of disease prevention, wellness, and promotion of healthy lifestyles.
- Develop, implement, and evaluate teaching plans for patients and their families to address health promotion, maintenance, and restoration.

Evaluation Methods:

- Content exams
- Assignments
- Final comprehensive exam

Course Grading: Please see individualized instructor policies for course evaluation methods. Students will be assessed on the same measure across each discipline as per CBC guidelines.

Major Course Assignments and/or exams counting for at least 10% of a final course grade:

- Content exams
- Final comprehensive exam

Grade Scale:

- A = 90-100
- B = 80-89
- C = 75-79
- D = 70-74
- F = Below 70

Students must achieve a grade of 75 or better to pass this course.

Revised 2021-2022
Course Subject Matter Outline:

- Concepts and Trends in Health Care
- Settings and Models for Nursing Care
- The Nursing Process
- Interviewing and Physical Assessment
- Legal and Ethical Issues
- Leadership Roles and Management Functions
- Nurse–Client Relationships
- Cultural Care Considerations
- Integrative Medicine and Alternative Therapies
- End-of-Life Care
- Pain Management
- Infection
- Intravenous Therapy
- Perioperative Care
- Disaster Situations
- Caring for Clients with Fluid, Electrolyte, and Acid–Base Imbalances
- Caring for Clients in Shock
- Caring for Clients with Cancer
- Introduction to the Respiratory System
- Caring for Clients with Upper Respiratory Disorders
- Caring for Clients with Lower Respiratory Disorders
- Introduction to the Cardiovascular System
- Caring for Clients with Infectious and Inflammatory Disorders of the Heart and Blood Vessels
- Caring for Clients with Valvular Disorders of the Heart
- Caring for Clients with Disorders of Coronary and Peripheral Blood Vessels
- Caring for Clients with Cardiac Arrhythmias
- Caring for Clients with Hypertension
- Caring for Clients with Heart Failure
- Caring for Clients Undergoing Cardiovascular Surgery
- Introduction to the Hematopoietic and Lymphatic Systems
- Caring for Clients with Disorders of the Hematopoietic System
- Caring for Clients with Disorders of the Lymphatic System
- Introduction to the Immune System
- Caring for Clients with Immune-Mediated Disorders
- Caring for Clients With HIV/AIDS
- Introduction to the Nervous System
- Caring for Clients with Central and Peripheral Nervous System Disorders
- Caring for Clients with Cerebrovascular Disorders
- Caring for Clients with Head and Spinal Cord Trauma
- Caring for Clients with Neurologic Deficits
- Introduction to the Sensory System
- Caring for Clients with Eye Disorders
- Caring for Clients with Ear Disorders
- Introduction to the Gastrointestinal System and Accessory Structures
- Caring for Clients with Disorders of the Upper Gastrointestinal Tract
- Caring for Clients with Disorders of the Lower Gastrointestinal Tract
Caring for Clients with Disorders of the Liver, Gallbladder, or Pancreas
Caring for Clients with Ostomies
Introduction to the Endocrine System
Caring for Clients with Disorders of the Endocrine System
Caring for Clients with Diabetes Mellitus
Introduction to the Female and Male Reproductive Systems
Caring for Clients with Disorders of the Female Reproductive System
Caring for Clients with Breast Disorders
Caring for Clients with Disorders of the Male Reproductive System
Caring for Clients with Sexually Transmitted Infections
Introduction to the Urinary System
Caring for Clients with Disorders of the Kidneys and Ureters
Caring for Clients with Disorders of the Bladder and Urethra
Introduction to the Musculoskeletal System
Caring for Clients Requiring Orthopedic Treatment
Caring for Clients with Traumatic Musculoskeletal Injuries
Caring for Clients with Orthopedic and Connective Tissue Disorders
Introduction to the Integumentary System
Caring for Clients with Skin, Hair, and Nail Disorders
Caring for Clients with Burns
Interaction of Body and Mind
Caring for Clients with Anxiety Disorders
Caring for Clients with Mood Disorders
Caring for Clients with Eating Disorders
Caring for Clients with Substance Use Disorders
Caring for Clients with Dementia and Thought Disorders

Additional Course Requirements:

Prerequisite: Successful completion of all nursing courses with a grade of “C” or better from previous semesters.
Co-requisite: RNSG 1161

Class Attendance and Classroom Conduct Policies

Attendance Policy: Please see individualized instructor policies for attendance, which is pursuant to any related policy as outlined by the college handbook, financial aid agreements, or any other college related understanding (e.g., athletics, organizations).
Telephone Support: Toll Free: 866-722-2838 or Direct Line: 361-354-2508

**ADA Statement:** No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs, or activities of the College District, or be subjected to discrimination by the College District. Nor shall the College District exclude or otherwise deny equal services, programs, or activities to an individual because of the known disability of an individual with whom the individual is known to have a relationship or association. 42 U.S.C. 12132; 28 CFR 35.130(g). See at: [GA (Legal)](#).

**Students with Disabilities:** Please notify your instructor of any modification/adaptation you may require to accommodate a disability-related need. You will need to provide documentation to the Director of Accessibility Services so the most appropriate accommodations can be determined. Specialized services are available through the Office of Accessibility Services (OAS) (SSB 4.104, 471-6259). For more information, please email oas@coastalbend.edu.

**Scholastic Dishonesty:** Each student is charged with notice and knowledge of the contents and provisions of Coastal Bend College’s rules and regulations concerning student conduct. All students shall obey the law, show respect for properly constituted authority, and observe correct standards of conduct. Scholastic dishonesty shall constitute a violation of these rules and regulations and is punishable as prescribed by Coastal Bend College Policies FLB (Local) and FM (Local). Scholastic dishonesty shall include, but not be limited to, cheating on a test, plagiarism, and collusion. See at: [FLB (Local)](#) and [FM (Local)](#).

**Use of E-mail for Official Correspondence to Students:** All students should be familiar with the college’s official email student notification policy. Students are expected to check their CBC email on a frequent and regular basis to stay current with college-related communications, recognizing that certain communications may be time-critical.

**Copyright Law and Intellectual Property Rights Policy:** Copyright is the right of an author, artist, composer or other creator of a work of authorship to control the use of his or her work by others. Protection extends to literary works, musical works, dramatic works, pantomimes and choreographic works, pictorial and graphic works, sculpture, motion pictures and other audiovisual works, sound recordings and architectural works. Generally speaking, a copyrighted work may not be reproduced by others without the copyright owner’s permission. The public display or performance of copyrighted works is similarly restricted. Generally, the unauthorized reproduction, performance or distribution of a copyrighted work is copyright infringement and may subject the infringer to civil and criminal penalties. The Fair Use Doctrine outlines exceptions to this Law and is outlined in Coastal Bend College Policy, [CT (Legal)](#).

Coastal Bend College, its faculty, students and employees must comply with Copyright Law. Detailed information on Copyright Law and Intellectual Property Rights is available in Coastal Bend College Policy [CT (Legal)](#) and [CT (Local)](#).

Questions regarding this information should be directed to the Director of Library Services at: library@coastalbend.edu or the Office of Marketing and Public Relations at: socialmedia@coastalbend.edu.

**Intellectual Property:** Student /Third Party Works: Rights to copyrightable or patentable works created by a student or a third party, that is, not a College District employee, shall reside with the author/creator. Detailed information on Copyright Law and Intellectual Property Rights is available in Coastal Bend College Policy [CT (Legal)](#) and [CT (Local)](#).

Revised 2021-2022
Questions regarding this information should be directed to the Director of Library Services at: library@coastalbend.edu or the Office of Marketing and Public Relations at: socialmedia@coastalbend.edu.

**NOTE:** The College website ([http://coastalbend.edu](http://coastalbend.edu)) serves as the main source with the most current version of the Coastal Bend College Board Policies and the Coastal Bend College Catalog.

Student success is our number one priority at Coastal Bend College, and we realize that prompt, effective communication (such as emails, assignment feedback, discussion boards and announcements) plays a significant role in achieving that goal. It is vitally important that you have the proper contact information for your instructor. This should include their phone number, email address, and if applicable, their office number, and office hours. **Faculty schedules can be located online at [http://coastalbend.edu/hb2504/](http://coastalbend.edu/hb2504/)** if you have any problems contacting your instructor, or do not receive a prompt response to your inquiries, please contact the Dean or Division Coordinator/Program Director as soon as possible. Their contact information is provided below:
