*****NOTE TO STUDENT*****

Student success is our number one priority at Coastal Bend College and we realize that prompt, effective communication plays a significant role in achieving that goal. It is vitally important that you have the proper contact information for your instructor. This should include their phone number, email address, and if applicable, their office number, and office hours. If you ever have any problems contacting your instructor, or do not receive a prompt response to your inquiries, please contact the Assistant Dean of Academics or the Dean of Academics as soon as possible. Their contact information is provided below:

Mark L. Secord, Dean of Academics (361) 354-2529 secordm@coastalbend.edu	Kayla D. Jones, Assistant Dean of Academics (361) 354-2532 kdjones@coastalbend.edu
---	---

We wish you all the best in your education and encourage you to contact us if you have any questions or concerns.

Keeping student success in sight, faculty in each of the courses will review with students, course information with specific reading schedules, assignments, and testing information during the first week of class. Additionally, the course information will be posted to Blackboard (THECB 60x30TX compliance).

Course Description: Principles of environmental systems and ecology, including biogeochemical cycles, energy transformations, abiotic interactions, symbiotic relationships, natural resources and their management, lifestyle analysis, evolutionary trends, hazards and risks, and approaches to ecological research.

Semester Hours Credit: 3

Lecture/Lab Hours: 3-0

Pre-Requisite: MATH 1314 or concurrent enrollment in higher mathematics is recommended.
