Administrative Master Syllabus

Cover Sheet

Purpose: The Administrative Master Syllabus provides a general course description, defines the required elements of the course, and establishes a faculty-driven foundation for course assessment to ensure continuous improvement in student learning, irrespective of the course timeframe, or mode of course delivery.

Course Title: Introductory Chemistry I (lecture, allied health emphasis)
Course Prefix and Number: Chem 1306
THECB Approval Number (10 digit): 4005015103
Department: Chemistry Division: Math, Science, Kinesiology
Course Type: (check only one)

☐ Academic General Education Course (From ACGM but not a CBC Core Course)
☑ Academic CBC Core Course
☐ WECM Course (Special Topics or Unique Needs Course: Y ☐ or N ☐)

Weekly Contact Hours (Lecture – Lab – External): 3 - 0 - 0

Course Catalog Description:
Survey course introducing chemistry. Topics may include inorganic, organic, biochemistry, food/physiological chemistry, and environmental/consumer chemistry. Designed for non-science and allied health students.

Prerequisites/Co-requisites:
TSI Requirements: Math, Reading, and Writing

Approval: The contents of this document have been reviewed and are found to be accurate.

Master Course Syllabus

Course Name: CHEM 1306 Introductory Chemistry I (lecture, allied health emphasis)

Course Description: Survey course introducing chemistry. Topics may include inorganic, organic, biochemistry, food/physiological chemistry, and environmental/consumer chemistry. Designed for non-science and allied health students.

Semester Hour Credit: 3

Lecture Hrs. per Week/Lab Hrs. per Week/External Hrs. per Week: 3-0-0

Curriculum Capacity:

- Face-to-Face Lab
- Online Lab
- Face-to-Face Lecture
- Online
- Virtual Face-to-Face
- Interactive video (multi-locations)
- Hybrid
- Clinical

Recommended enrollment threshold:

- Face-to-Face Lab
- Online Lab
- Face-to-Face Lecture
- Online
- Virtual Face-to-Face
- Interactive video (multi-locations)
- Hybrid
- Clinical

Textbook and/or other major required readings:

- Title: Conceptual Chemistry
- Author: Suchocki
- Publisher: Pearson
- Edition: 5th
- ISBN: 9780321804419

Revised 2021-2022
The Student Learning Outcomes for the course are the same regardless of modality or location.

Course Outcomes
(WECM or LDACGM)

1. Make conversions using metric and English units.
2. Describe the fundamental particles of the atom and relate to electronic configuration to the periodic table and ionic/covalent bonding.
3. Write formulas and names of inorganic compounds and give the products of common chemical reactions.
4. Describe the mole and relate the use of it in stoichiometric calculations.
5. Explain solute interactions in an aqueous solution and use molarity and percentage to describe their concentration.
6. Explain the interactions of acids, bases and salts in aqueous solutions and explain the reactions and purpose of a buffer.
7. Name and draw the structures of representative compounds of each class of organic compounds: hydrocarbons, alcohols, amines, ethers, aldehydes, ketones, carboxylic acids and esters and list applications for the more common members of each class.
8. Use structure and physical and chemical properties to explain selected characteristics of organic compounds, optical isomerism, melting points, boiling points, and reactions.
9. Name and explain the structures, characteristics and applications of selected carbohydrates within monosaccharides, disaccharides, and polysaccharides.
10. List several classes of lipids and explain the structural characteristics of fats and oils, as well as describe the preparation of soaps and detergents and action in the cleaning process.
11. Explain the structures of amino acids and how they form proteins. They will be able to distinguish the function and characteristics of primary, secondary, tertiary and quaternary structures in proteins.
12. Understand the concept and structure of DNA and RNA and how the genetic code creates proteins from the base units of RNA.

The following general education course competencies (TGE) or Marketable SCAN Skills (CTE/NAH) are addressed in this course: General education course competencies (TGE) or Marketable SCAN Skills (CTE/NAH) assessed are indicated with an asterisk *.

Health & Wellness: Students will recognize the importance of maintaining health and wellness.
Science and Technology Literacy: Students will develop a capacity to use knowledge of how technology and science affect their lives.
Ethics: Students will recognize the importance of maintaining health and wellness.
Analytical Reasoning: Students will use logical reasoning in problem solving.

Revised 2021-2022
The following program student learning outcome are assessed for this course:

Critical Thinking Skills: Students will demonstrate an ability to use creative thinking, innovation, inquiry, and analysis, evaluation and synthesis of information.

Communication Skills: Students will display effective development, interpretation and expression of ideas through written, oral and visual communication.

Empirical/Quantitative Skills: Students will display competence in the manipulation and analysis of numerical data or observable facts resulting in informed conclusions.

Team Work Skills: Students will demonstrate an ability to consider different points of view and to work effectively with others to support a shared purpose or goal.

Evaluation Methods:

<table>

</tr>
</tbody>
</table>

Course Subject Matter Outline:

- Chapter 1: Matter and Measurement
- Chapter 2: Atoms and the Periodic Table
- Chapter 3: Ionic and Covalent Compounds
- Chapter 4: Energy and Matter
- Chapter 5: Chemical Reactions
- Chapter 6: Gases
- Chapter 7: Solutions
- Chapter 8: Acids and Bases
- Chapters 10, 11: Introduction to Organic Molecules; Unsaturated Hydrocarbons
- Chapters 12, 13: Organic Compounds that Contain Oxygen, Halogen, or Sulfur; Carboxylic Acids, Esters, Amines, and Amides
- Chapter 14: Carbohydrates
- Chapter 15: Lipids
- Chapter 17: Nucleic Acids and Protein Synthesis

Revised 2021-2022
Additional Course Requirements:

Class Attendance and Classroom Conduct Policies

Attendance Policy: Please see individualized instructor policies for attendance, which is pursuant to any related policy as outlined by the college handbook, financial aid agreements, or any other college related understanding (e.g., athletics, organizations).

Telephone Support: Toll Free: 866-722-2838 or Direct Line: 361-354-2508

I.T. Support Blackboard

helpdesk@coastalbend.edu

Live Chat: Fall/Spring Hours: Monday - Thursday from 8 a.m. to 5 p.m. Summer Hours: Monday – Thursday from 7 a.m. to 6 p.m.

Tutoring Services: Coastal Bend College is committed to the academic success of all students enrolled at the college. A variety of services, including academic support, individual tutoring sessions, group tutoring sessions, and online tutoring, are available to students depending on the availability of tutors for the subject matter requested. All tutoring is provided at no cost to current CBC students who are currently enrolled at CBC. On-demand tutoring services are accessible 24 hours a day, seven days a week through the TutorMe platform, which may be accessed through your Blackboard account. To request a tutor, please complete the online tutor request form found at http://www.coastalbend.edu/tutoring/ to submit your request. If you have any questions about tutoring programs, you can contact tutoring@coastalbend.edu.

Grady C. Hogue Learning Resource Center (Library): Located on the Beeville campus, the operation hours are Monday - Friday from 8:00 a.m. to 5:00 p.m.

(Summer semesters will observe the CBC campus operation hours) For locations and hours of the CBC library in Alice, Kingsville, and Pleasanton sites please visit the library web page link below.

Grady C. Hogue Learning Resource Center (Library): [http://lrc.coastalbend.edu/about](http://lrc.coastalbend.edu/about)

Financial Aid: Resources are available for students for financial aid, work study, and veteran benefits. For additional information, visit our website at [http://coastalbend.edu/finaid](http://coastalbend.edu/finaid) or contact us at 361-354-2238. Office hours: Monday - Friday from 8:00 a.m. to 5:00 p.m.

ADA Statement: No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs, or activities of the College District, or be subjected to discrimination by the College District. Nor shall the College District exclude or otherwise deny equal services, programs, or activities to an individual because of the known disability of an individual with whom the individual is known to have a relationship or association. 42 U.S.C. 12132; 28 CFR 35.130(g). See at: [GA (Legal)](http://coastalbend.edu/finaid)

Students with Disabilities: Please notify your instructor of any modification/adaptation you may require to accommodate a disability-related need. You will need to provide documentation to the Director of Accessibility Services so the most appropriate accommodations can be determined. Specialized services are available through the Office of Accessibility Services (OAS) (SSB 4.104, 471 -6259). For more information, please email oas@coastalbend.edu.

Scholastic Dishonesty: Each student is charged with notice and knowledge of the contents and provisions of Coastal Bend College’s rules and regulations concerning student conduct. All students shall obey the law, show respect for properly constituted authority, and observe correct standards of conduct. Scholastic dishonesty shall constitute a violation of these rules and regulations and is punishable as prescribed by Coastal Bend College Policies FLB (Local) and FM (Local). Scholastic dishonesty shall include, but not be limited to, cheating on a test, plagiarism, and collusion. See at: [FLB (Local)](http://coastalbend.edu/finaid) and [FM (Local)](http://coastalbend.edu/finaid).

Use of E-mail for Official Correspondence to Students: All students should be familiar with the college’s official email student notification policy. Students are expected to check their CBC email on a frequent and regular basis to stay current with college-related communications, recognizing that certain communications may be time-critical.

Copyright Law and Intellectual Property Rights Policy: Copyright is the right of an author, artist, composer or other creator of a work of authorship to control the use of his or her work by others. Protection extends to literary works, musical works, dramatic works, pantomimes and choreographic works, pictorial and graphic works, sculpture, motion pictures and other audiovisual works, sound recordings and architectural works. Generally speaking, a copyrighted work may not be reproduced by others without the copyright owner’s permission. The public display or performance of copyrighted works is similarly restricted. Generally, the unauthorized reproduction, performance or distribution of a copyrighted work is copyright infringement and may subject the infringer to civil and criminal penalties. The Fair Use Doctrine outlines exceptions to this Law and is outlined in Coastal Bend College Policy, [CT (Legal)](http://coastalbend.edu/finaid).

Revised 2021-2022
Coastal Bend College, its faculty, students and employees must comply with Copyright Law. Detailed information on Copyright Law and Intellectual Property Rights is available in Coastal Bend College Policy CT (Legal) and CT (Local).

Questions regarding this information should be directed to the Director of Library Services at: library@coastalbend.edu or the Office of Marketing and Public Relations at: socialmedia@coastalbend.edu.

**Intellectual Property:** Student /Third Party Works: Rights to copyrightable or patentable works created by a student or a third party, that is, not a College District employee, shall reside with the author/creator. Detailed information on Copyright Law and Intellectual Property Rights is available in Coastal Bend College Policy CT (Legal) and CT (Local).

Questions regarding this information should be directed to the Director of Library Services at: library@coastalbend.edu or the Office of Marketing and Public Relations at: socialmedia@coastalbend.edu.

**NOTE:** The College website (http://coastalbend.edu) serves as the main source with the most current version of the Coastal Bend College Board Policies and the Coastal Bend College Catalog.

Student success is our number one priority at Coastal Bend College and we realize that prompt, effective communication (such as emails, assignment feedback, discussion boards and announcements) plays a significant role in achieving that goal. It is vitally important that you have the proper contact information for your instructor. This should include their phone number, email address, and if applicable, their office number, and office hours. **Faculty schedules can be located online at http://coastalbend.edu/hb2504/**

If you have any problems contacting your instructor, or do not receive a prompt response to your inquiries, please contact the Dean or Division Coordinator/Program Director as soon as possible. Their contact information is provided below:

We wish you all the best in your education and encourage you to contact us if you have any questions or concerns.

Keeping student success in sight, faculty in each of the courses will review the course information, including specific reading schedules, assignments, and testing information, with students during the first week of class.

Additionally, the course information will be posted to Blackboard.

*This master syllabus is subject to change due to unforeseen circumstances.*
