

Vitae of Jennifer Dobson-Card

Jennifer began her education at Coastal Bend College as a dual credit student. She transferred to Sul Ross State University after her freshmen year of college. She continued her education at Texas A&M University-Kingsville and received a Bachelor of Science degree in Biology in 2001. She also received a Master of Science degree in Biology in 2004 from TAMUK. Her master's thesis, "Distribution and Abundance of the Eastern and Western Meadowlarks in South Texas", developed her background in ornithology, and evolutionary behavioral ecology.

Jennifer taught General Biology, Zoology, and Botany labs at TAMUK from 2001 to 2003. She worked on a White-Winged Dove project for the Texas Parks and Wildlife Department in 2002. She has worked for Karnes City High School since 2003 teaching Biology, Zoology, Environmental Science, Athletics, and AVID. She has been a dual credit instructor for Coastal Bend College since 2004. She teaches Bio 1408 lecture and lab, Bio 2306, and Bio 1411.

Jennifer enjoys gardening, hiking, kayaking, and working on the family ranch. She is happy as long as she is outdoors, enjoying the natural world.
