

Suzette has been practicing nursing for over 40 years. She has extensive background in surgery, hospital nursing education, and perioperative education. She is an experienced clinical nurse in the areas of Medical Surgical Nursing, ICU, PACU, Home Health Nursing, and Quality Management. Areas of interest include cardiovascular, neurological, gastrointestinal and orthopedic diseases. She was a BLS, PALS and ACLS Instructor. She was a member of American Operating room nurses and while working as a circulator and scrub nurse and was a certified nurse in the operating room.

Suzette received her BSN at West Texas A&M University in 1983. She has an Associate degree in nursing from Amarillo College graduating in 1974. She enjoys working with patients and students with the goal of providing safe, compassionate, patient care.

Suzette's combination of clinical education and her nursing experience are critical to teaching good patient care, not only being concerned about the physical aspects of a patient's illness, but the emotional and spiritual aspects as well. She truly desires to provide a positive learning experience and confidence to nursing students as they continue their goal to become a licensed nurse.
